Composition (*as follows below*):

INVITATION TO LICENSED CONTRACTORS

TO PROVIDE WEATHERIZATION SERVICES

Garrett County Community Action Committee, Inc. (GCCAC) would like to invite licensed contractors to provide weatherization services. Weatherization services may include installing energy saving materials on doors, windows, walls, attic access entry, attic flooring, crawl spaces, furnace ducts, boiler and hot water system pipes, hot water tanks, and electrical fixtures. Also included would be the installation of health and safety materials, to include smoke alarms and carbon monoxide detectors. An informational meeting is scheduled for **Friday**, May 22, 2009 at 8:30 AM at the Weatherization offices at 360 W. Liberty Street, Oakland, Maryland 21502. *The informational meeting will provide the threshold qualifying criteria for contractors to participate.* Included in the discussion of the informational meeting will be the initial draft of the Contract to Provide Weatherization Services. A copy of the draft may be obtained by calling GCCAC at 301-334-9431 or toll free at 1-888-877-8403 or from the GCCAC website at www.garrettcac.org
