

SECOND STEP CORNER – The Second Step curriculum, which is taught in Garrett County Head Start, is designed to help children understand feelings, a spokesperson said. “The children in the Second Step program learn to recognize feelings cues from their friends as they play,” the spokesperson said. Children pictured above are expressing calmness, happiness, and surprise as they pause during their play time in the Dennett Road Head Start classroom. Pictured from left are Yonatan Benitez, Michael Ward, Wheeler Rush, and Jaxin Reckart. Information about the county’s Head Start program can be obtained by calling Garrett County Community Action at 301-334-9431.
