

# Sign Language Workshop Slated At Garrett Coll.

A "Signing with Young Children" class is scheduled for Friday, Nov. 13, from 4 to 6 p.m. in Room 205, Continuing Education Building, Garrett College.

This free workshop will teach families and professionals basic sign language that will assist with promoting communication with young children.

"Attendees will leave with knowledge of more than 100 signs," said a spokesperson. "Attendees will learn why, how, and when to use sign language with young children, along with research that supports its use."

Refreshments will be available, and continuing education units are available.

Those interested in participating are asked to register by Thursday, Nov. 12, by contacting Babette Smith at 301-616-8119 or [babette.smith@garrettcountyschools.org](mailto:babette.smith@garrettcountyschools.org).

The workshop is sponsored by the Garrett County Family Support Network/Preschool Partners programs (part of the Garrett County Infants & Toddlers Program and the Garrett County Board of Education) and the Garrett County Judy Center.
