

SECOND STEP CORNER – The Second Step program taught in Garrett County Head Start classrooms teaches the importance of waiting, because knowing how to wait helps children at school and at home, a spokesperson said. Two students from the Crellin Head Start classroom are pictured as they demonstrate how to wait. Ashlyn Brenneman waits her turn patiently as Turner DeWitt brushes his teeth. Second Step™ is supported in Garrett County by the Community Action Committee, board of education, health department, and APPLES for Children (Alliance for Parent, Provider, and Local Employer. For more information about Second Step, persons may call their children's school, or the Health Education and Outreach office at the Garrett County Health Department: 301-334-7730 or 301-895-3111.
