

SECOND STEP CORNER – The Second Step curriculum used in Garrett County Head Start classrooms includes lessons about getting along with others. Students in the 4-year-old Head Start classroom at Grantsville are pictured as they demonstrate their understanding of this message during their dress-up playing. Kizmie Johnson, left, looks on as she patiently waits for her turn to play with the baby doll Maddie Wright is holding. Gregory Beitzel appears pleased to see that his friends are playing together nicely. Garrett County's Second Step™ program is supported by the Community Action Committee, board of education, health department, and APPLES for Children (Alliance for Parent, Provider, and Local Employer Solutions). For more information about Second Step, persons may call their child's school, or Health Education and Outreach of the health department at 301-334-7730 or 301-895-3111.
