

**SECOND STEP CORNER** – One of the main goals of the Second Step Program, which is taught in Garrett County Head Start, is that children will learn to get along with others. The children pictured are demonstrating getting along as they play together in their Head Start/pre-K classroom in Grantsville. Pictured with happy faces, from left, are Wyatt Wilt, Collyn Durst, and Natayla-Raé Scott. In Garrett County, Second Step™ is supported by Community Action Committee, Board of Education, Health Department and APPLES (Alliance for Parent, Provider, and Local Employer Solutions) for Children. For more information about Second Step, persons may call their child's school or the Health Education and Outreach office of the Garrett County Health Department at 301-334-7730 or 301-895-3111.
