

CIVIC CLUB HELPS MEALS ON WHEELS – Betty Elington from the GFWC Civic Club of Oakland (at right) and Jeannie Tichnell, operations manager for Garrett County Community Action Committee's Nutrition Service, are pictured holding special favors that members of the Civic Club prepare regularly for seniors receiving Meals on Wheels. The Civic Club members make these special favors for the holidays to provide a little extra for seniors in the county. "Some meal recipients may only see the person delivering their meals on any given day, so a special addition brings an extra sparkle to their day," Tichnell said. "Partnerships with organizations like GFWC Civic Club are intrinsic to the operation of the Meals on Wheels program."
