### **GCCAC Seeking Volunteers For Tax Assistance**

Garrett County Community Action Committee recently announced that the agency needs volunteers to help establish a Volunteer Income Tax Assistance (VITA) site for low income residents in Garrett County. Volunteers are needed to work from Jan. 15, 2015, through April 15, 2015.

Volunteers will be trained and certified online by the IRS to be able to assist clients who will be filing IRS form 1040 tax returns. The new site will not only offer free income tax preparation, but will also assist clients with financial counseling and asset building strategies. Opening a VITA site furthers GCCAC's mission to assist its clients in building assets so they can become more self-sufficient.

Those interested in volunteering should contact Brent Stone at 301-334-9431, ext. 6144, or email [rstone@garrettcac.org](mailto:rstone@garrettcac.org). The agency's toll-free number is 1-888-877-8403.
