These activities include further development of Garrett County CoC policies and procedures and further development of the Garrett County CoC governance charter between the CoC lead agency, the HMIS lead agency, and other agencies participating in Garrett County's CoC. Planning funds will be used to increase data quality and reporting of the HUD required System Performance Measures. This funding allows for evaluation of PIT and HIC procedures to maximize CoC performance. GCCAC, the lead HMIS agency for the Garrett County CoC, will continue to develop the HMIS system in the coming year.
